

## **COLLAGE WORKSHOP With SHANNON BIRCHUM**

**July 17, 2025 – 10 a.m. – 4 p.m.**

The fun and adventure of creating a piece of art from torn paper and other mixed media is pure joy!

Collage is the assembly of collected bits such as papers, photos, and even fabric, glued down and making a completely “new” whole piece of art.

Collage offers artistic exploration through layers, composition, texture and color.

Like any art form, it’s an outlet for personal expression but can be simple and just plain fun!

Join Clifton artist Shannon Birchum for a one day work shop in the fascinating process of collage. Materials and supplies will be provided.
