## Stetson Ball: 40th Annual Big Event

Big Event season is almost upon us, and the committee is planning a fun time for all. The 40th Anniversary of the Big Event kicks off with the eBAC online auction in late March, featuring incredible art, jewelry, trips, dinners, and more.

The rifle drawing returns this year with a moss-green and black Ruger American Predator rifle with a Vortex Crossfire II scope. Chambered in 6.5 Creedmoor 22-inch threaded barrel, the rifle has a 4-round rotary magazine and comes with 100 rounds of 6.5 Creedmoor ammunition. Only 300 tickets will be sold. Stay tuned for your chance to purchase tickets beginning in February.

April Fools' Day brings the fun of Casino Royale, an exciting casino night. Dress as your favorite Bond character or simply as yourself, and come to win great prizes on Friday, April 1.

This all builds up to the 40th Annual Big Event night on Saturday, April 2: the Stetson Ball. Attire is "Texas Chic" and Brian Barrett's band will provide the music for an evening of dinner and dancing.

Reservations open March 1, with sponsor opportunities opening prior to that. Watch your mailboxes for your invitations in late February.

## Troubadour Concert Series

By Linda Pfeiffer

### Glenn Miller Orchestra:

Swing and Jazz are the music of the day for this great orchestra. Glenn Miller started this group back in the 1930s and the music is still with us today. Tunes such as "Tuxedo Junction," "Moonlight Serenade" and "String of Pearls" make you want to sway, hum and sometimes just flat out sing along. Touring around the world as well as across the US, this orchestra has been in existence for more than 60 years and tours 48 weeks out of the year. This music has appealed to many peoples through all the different music genres since the '30s.

Join us February 17 in Frazier Performance Hall for this great show.

# Art Club

By Lillian Lemke Jacoway

January 4, 2022 – Already! BCAC met in the Joan Spieler room for the first program of the year. Talented teacher Stephanie Fanning demonstrated drawing techniques, including realistic images, blending/shading, and working from a live model.

enough, and this was an informative and useful class. Eight people participated, including a new attendee.

For the BCAC February meeting, our demonstrator Rachel Salazar has had to cancel because of Covid. She has agreed to come at a later date.

In her place, Lillian Jacoway will demonstrate “soft-edges”, which, in this case, means subject matter painted with minimal hard edges.

This is not a workshop, everyone is expected to paint in any medium that they choose. Lillian is requesting that each attendee bring one or more objects for this still life.

March 1 will see the wonderful watercolor painter Cheryl Chapman back for a short workshop — on painting figures (not the same thing as portraits). Wow! How much more exciting can the first three meetings of 2022 be?!!

## ATRIUM GALLERY

MARVIN GRELE

After retirement Marvin Grelle decided he needed something to keep himself busy. Marvin always had a love for photography and decided now was the time to pursue this activity. He had always had the ability to see photos in his head before taking them, so he read, studied and upgraded his equipment. Once comfortable in his knowledge, he set out to pursue some of his favorite interests which included wildlife photography, landscape photography and astrophotography. One of his most popular photographs is a photo of the Milky Way with Our Saviors Lutheran Church in the foreground. The photo itself was taken at 1:30 a.m. on the church's 150th anniversary celebration.

Grelle is a member of the BAC Photography Guild and has displayed his work at Clifton Medical Clinic. You may see Marvin's unique display in the Atrium gallery, 9 a.m. to 5 p.m. daily and at other times during BAC events. Don't miss Marvin Grelle's special photography exhibit during the month of February in the Atrium Gallery. Marvin would like to invite everyone to a reception opening his exhibit in the Atrium Gallery. Please plan to attend on Tuesday, February 1, 4 to 7 p.m. in the Atrium Gallery and Café.

## Quilt Guild

By Linda Pfeiffer

We welcomed the change in officers at the January meeting. Cheryll Lundberg stepped in as President while Karen Elliott remained as our Vice President. Glenda Sager takes over secretary/treasurer duties. During the meeting we discussed a day trip for later in the year to a fabulous fabric shop in Blanco as well as a day trip to a retreat in April. We plan a celebration in March for Quilt Month. Look for quilts to appear around the building.

We meet at 7:00 p.m. on the first Tuesday of each month at the BAC. If you have questions or would like to join us for a meeting please call the BAC at 254 675-3724 for information.

## Culinary Club

By Virginia Richards

Culinary Club does not meet in February, but we wish everyone a Happy Valentine's Day! Our next meeting will be March 17.

## Shout Out

We wanted to give a shout-out to Sydney Hewitt, who has been handling the design layout of the newsletter since September. After her stint as a summer intern, Sydney signed on to work remotely as she finishes her senior year at SMU. Sydney has been putting her skills to use on *BAC News*, as well as helping with social media, e-blasts, and ad design.

## IN MEMORIAM

### Kathy Carpenter

Our condolences go to the family and former students of Kathy Carpenter. A beloved Clifton ISD substitute, Kathy had been a BAC member and had even taken a turn on the TBT stage in 2008's *Blue Bell Run*. Kathy and sidekick Georgia Kettler stole the scenes with their hilarious antics.
