

Participated in the e-BAC auction last year?

If you already have an account with Auctria (eg. from last year's Big Event e-BAC auction), you can use the same email and password to bid in this online Fine Art Auction. You will need to register for this auction though.

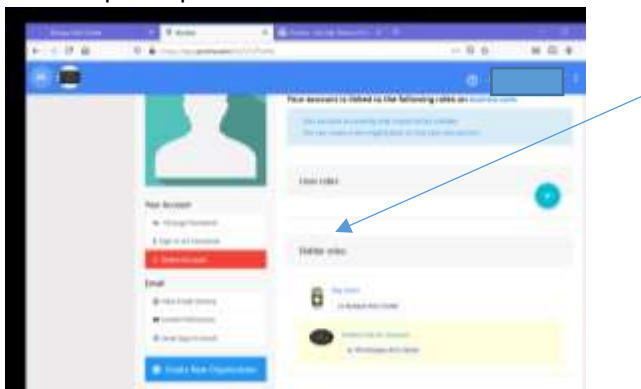

- Click on the auction link.
- Click SIGN IN (upper right corner)
- Click on an item to bid and click REGISTER.
- After registering click the dropdown arrow by your login ID/email in the top right corner.

- Click YOUR PROFILE

- Once inside the profile screen, look under BIDDER ROLES and **click the icon** of the auction you want to participate in.

- Note: In the Auctria app, you will be prompted to choose which event you want to view once you sign in.  
*The FAA and the Big Event's e-BAC schedules will not overlap. The Fine Art Auction runs March 20-25 and the Big Event e-BAC runs March 27-April 2.*
