Intro to Sculpting Workshop

The Art Council is pleased to announce an Intro to

Sculpting workshop with award-winning sculptor Jeff Gottfried on **July 12-13**. Gottfried—whose piece *Wishful Thinking* is in the BAC permanent collection as winner of a purchase award in the Art Classic—uses his 25 years of sculpting experience and his skills as a professional

educator to share his passion for the 3-dimensional form.

In this 2-day workshop, students will sculpt a 1/2-life-sized human bust. Through demonstrations, lectures, and class activities, students will learn basic sculpture techniques: clay manipulation, tools, armature, measuring techniques, and anatomy. An additional focus will be how to look at and appreciate sculpture in general. Students will learn to identify a sculpture's expression of idea, what makes a compelling design, and effective sculpture display.

From sculpting techniques to appreciation of form, Jeff will guide students through the basics and unlock the wonderful world of sculpture!

Cost \$200 (includes supplies and continental breakfast and lunch both days)

9 a.m. to 4 p.m.

Tin Building Theatre

By Lorana Rush

The cast & crew of the Tin Building Theatre would like to thank you for another successful show! We ended our final production of *Four Old Broads* by Leslie Kimbell, on May 28, to laughter and applause. We have been at this for 40 years at the TBT, and our patrons and fans are the reason we keep going! We get a little sentimental when we think about all the people who have graced our stage over the years and about all the hard work from volunteers to make the TBT a success. It is certainly

exciting to think about what the next 40 years will bring! Please continue to follow our Facebook page for announcements of the coming Fall production and auditions.

We can't wait to entertain you again! Thank you!

ATRIUM GALLERY

RICHARD HAAS

Our Atrium Gallery artist for the month of June is photographer Richard Haas. After 35 years of living in Austin, Haas moved to Clifton and has been here for the last 4 years. Partial to the art of photography, Haas specialized in automotive photos, character shots, and "different look" shots.

As a Texas photographer and writer for *Hot Rod Hot Line*, an online automotive magazine, Haas enjoys collecting vintage film cameras. Haas has been active as a board member and cast member in several productions with the Tin Building Theatre. He is also one of the founders of the Clifton Ukulele Strummers Society and a former member of the Austin Songwriters Group.

Haas's photography will be on display 9 a.m. to 5 p.m. daily and at other times during BAC events. Don't miss Richard Haas's special photography exhibit during the month of June in the Atrium Gallery.

Bosque County Art Club

By Lillian Lemke Jacoway

Artist Melanie Stokes will be demonstrating painting landscapes in acrylic at 10 a.m., June 7, in the Spieler room. Watch her techniques in color, brushstrokes, and composition. Her accomplishments and paintings are on Facebook.

June 7 is also the election of officers. Barbara Moore, club President, will serve another year; next year Lillian Jacoway is stepping down as Program Chair, and Reuben Jacoway is leaving as Treasurer. Thankfully, several members agreed to serve.

The annual luncheon was a hit! "The art talk" was informative and well received. Everyone had a chance to express opinions and give tips in abundance.

Pictured is an acrylic painting of Jake, Bosque County's favorite mascot.

Book Club

By Judith Baker

The BAC Book Club's June selection is *Forty Autumns* by Nina Willner. Written by a former U. S. Army Intelligence Officer, the book is about her East German mother's escape to the west and the family that was left behind.

For forty years Germany was separated into East and West by the Berlin Wall (the Wall did not come down until 1989). The story follows forty years in the lives of five family members who display courage, resilience, and love of family in the face of traumatic events. The Kirkus Review calls *Forty Autumns* "...A poignant and engrossing, occasionally harrowing, family memoir."

We'll meet at the BAC on June 29 at 10:00 a.m. Please join us!

Books on the Bosque

Save the Date: November 11-12, 2022!

Make plans to join us for Books on the Bosque. Friday kicks off the conference with Radney Foster, an Acoustic Evening, where the country music singer/songwriter of Foster & Lloyd fame will read excerpts from his book of short fiction *For You to See the Stars* between songs and anecdotes behind the creations.

Saturday will bring a day for readers and writers featuring award-winning mystery writer Anne Hillerman. Following in the footsteps of her father, Tony Hillerman, Anne continues the Navajo detective stories he made popular. Her latest, *The Sacred Bridge* (a continuation of the Leaphorn, Chee & Manuelito series), was released in April. Stay tuned for details on other speakers.

The writing contest will award \$250, \$100, and \$50 for first, second, and third places in the categories of short story, creative nonfiction essay, and poetry (rhymed or unrhymed). Guidelines will be available July 1 on the website or at the BAC. Entry deadline will be September 16, 2022.
