Luminous, Lustrous Colored Pencil on Drafting Film

A Workshop with
Linda Lucas Hardy
February 20-21, 2021

Learn to create a stunning "Luminous, Lustrous Colored Pencil on Drafting Film" in the upcoming workshop conducted by master colored pencil artist Linda Lucas Hardy.

Hardy is well known for creating brilliant colored pencil paintings that radiate light, color and emotion in a way that speaks to the heart.

For this particularly fun, casual, but information-packed class a packet will be provided. The packet will include the drafting film with a printed template, two 5X7" reference photos (because you will be working on both sides of the film), a palette guide, helpful hints, and instructions.

Regardless of how much experience you've had, you will be thrilled to learn there's another dimension to the ever popular Colored Pencil as it comes to life on this delicate, translucent surface.

About the Artist

LINDA LUCAS HARDY: CPSA, CPX, NOAPS, TXN | OIL – COLORED PENCIL - GRAPHITE

Linda Lucas Hardy considers herself "an entertainer at heart" who simply chose the visual arts over the performing arts to create drama. "Even though my choice of subject matter is diverse," she says, "consistently my drawings and paintings will show conflicting forces between light and dark... My desire is to delight the eye by giving the viewer a lot to look at, rich in detail, rich in color and rich in expression."

In 2002, Hardy made a decision to refer to herself as a professional artist. Since that decision, her art and/or articles have been published in two dozen magazines and sixteen books. Her work has been juried into more than 80 National and International exhibitions and she's won an equal number of awards and honors, many being Best of Show including the Colored Pencil Society of America's CIPPY and EXPY awards. Linda has won multiple honors in the Bosque Art Classic, including silver medals in both drawing and oil categories, along with the Art Patron's Purchase Award. She is a ten-year merit award recipient in the Colored Pencil Society of America, past President of CPSA 215 (the Dallas/Ft Worth District Chapter) and past President of CPSA 222 (the Texarkana Chapter). Linda is Signature member of the National Oil & Acrylic Painters Society, a Signature member of the Irving Art Association, and an Associate member of the Oil Painters of America. She has been member of the Mt. Pleasant Texas Art Society over 30 years. Linda is an 18-year veteran of colored pencil instruction and has taught oil painting for the last 6. She has taught classes and workshops in 15 states and 2 countries to hundreds of students aged 8 to 88.
