**Linda Lucas Hardy Workshop**  
Luminous, Lustrous Colored Pencil  
on Drafting Film  
February 20-21, 2021

Colored pencil and drafting film – a winning combination! The “Luminous, Lustrous Colored Pencil on Drafting Film” workshop will be conducted by master colored pencil artist Linda Lucas Hardy. A twenty-year veteran of teaching and workshop instruction, Linda’s work has appeared in numerous Bosque Art Classic exhibits over the years, and one of her

pieces is present in the BAC permanent collection.

Linda has selected a gorgeous cactus bud to draw during this 2-day workshop. Her step-by-step method of instruction is especially suited to working on the drafting film’s translucent surface, and this image will be particularly stunning.

A supply packet will be provided including the drafting film, with a printed template, two 5x7 reference photos, a palette guide, and instructions. Discover another dimension to colored pencil with this intriguing surface!

## Art Club

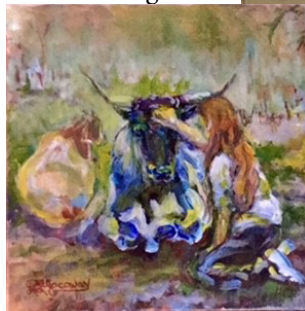

BCAC members were pleased to illustrate the Culinary Clubs cookbook, which is available in a lovely volume. Everyone needs one!

Being isolated during this time is difficult but gives opportunity for a great deal of creativity. If you have not considered making

finished painting is shown below.

We are grateful

thumbnail sketches, please do so. It is a wonderful, simple way of starting a successful composition. Try to see the largest shapes in the most elementary way, i.e. straight lines, circles, ovals. Pictured here are two photographs that are combined into one thumbnail sketch. The

Bingo drew a crowd to the BAC parking lot, all ready for something new and fun. Guests decorated tables, had tailgate parties, and enjoyed the evening out under a brisk December sky.

## Tin Building Theatre

The members of the TBT would like to extend a sincere and heartfelt thanks to all of our loyal patrons! You are the reason we exist, because let's face it, why perform

without an audience? You have supported us during every celebration, every tear, and every bump in the road and 2020 has been no different. It has truly broken our hearts that we have not been on the stage for you this year. We have a special "thank you" in mind and each of you will be hearing from us after the first of the year. We wish each and every one of you the happiest of New Years! God Bless! -LR

## Bosque Civic Music Association

The BCMA participated in this year's Tablescapes with a display promoting the new Steve Watson Piano Lab. Piano lessons will be offered to students of all ages at BAC beginning in January 2021 or when COVID-19 health and safety restrictions are lifted. The Piano Lab was created to honor the legacy of Watson, who was instrumental in the organization and success of the BCMA and the Bosque Chorale prior to his death in June. Through generous donations, five fully-equipped Yamaha 88-key piano stations have been fully funded, purchased, and awaiting enrollment. Four piano instructors have also volunteered to teach. ## IN MEMORIAM

[Marylee greeting guests at the 2019 Arts of Christmas]

Our condolences go to Deb Phinney at the loss of her mother, Marylee, on December 15. A BAC member since 2014, Marylee volunteered at quilt shows, helped

decorate for various events, contributed table layouts to Tablescapes exhibits, and pitched in as needed at various other activities.

## ~Art Council~

The Art Council has concluded our anticipated Happy New Year Party will not be able to be arranged. The governor has identified Bosque County as a Trauma Service Area, which translates that only 50% occupancy is permitted with indoor activities. Therefore, the Art Council had to make a tough decision to cancel our year-end dinner. The Art Council wants to express their gratitude to our Art Patron members for their support and understanding during this pandemic. The Art Council looks to a new year as we begin our planning for upcoming events, such as art talks, workshops led by area artists, and the Art Classic scheduled for September 2021. We look forward to seeing you at the BAC in 2021. -JL
